Additional information to the award conditions

according to the provisions of § 49 para. 1, 2, 3 of Act no. 137/2006 Coll. on Public Contracts, as amended

upon written request of the bidder we provide additional information to the public contract with the title " Purchase of 4 optoelectronic stabilized platform systems for EC-135 T2+ helicopters "

Bidder's question no. 1:

Does the tender include the integration of the systems in the helicopters structure and systems?

Contracting Authority's answer no. 1:

The tender includes only the delivery of all system components defined in the tender documents. More information on the scope of the delivery can also be found in the answers to additional questions from Airbus Helicopters that have been officially published.

Bidder's question no. 2:

Does the delivery date of December 15th, indeed the correct and final date for delivery of the equipment specified in the tender?

Contracting Authority's answer no. 2:

Yes, the final delivery date for the equipment described in the tender is 15th December 2015.
